# EXTRACTS FROM RULES AND REGULATIONS

Concerning the purchasing of stock at the Calgary Spring Bull Sales.

## SPECIAL NOTICE — PURCHASE OF ANIMALS

All sales are to be in Canadian dollars, payable at par in Calgary. U.S. funds will be accepted at the current rate of exchange.

The Secretary is prepared to purchase animals for persons unable to attend the sale personally. The greatest care will be used in executing such orders in accordance with instructions given by the purchaser and no charge will be made for this service. A Purchaser should send marked cheque for the amount he is willing to pay. Proper refund will be made if a suitable animal can be purchased for less than the amount sent.

## BY-BIDDING

2. There shall be no by-bidding by the owner of an animal or anyone authorized by him. Statutory declaration may be required from any buyer or seller to the effect that any purchase or sale is bona-fide, and that there has been no by-bidding in connection therewith. Any owner guilty of by-bidding or authorizing anyone to do so for him, will be excluded from participating in future sales for a term to be decided by the Executive Committee.

## TATTOO CHECK

7. All bulls must be taken to the testing chute upon arrival at the sale, where tattoos will be checked by representatives of the Health of Animals Branch.

UNLESS THE TATTOO CORRESPONDS WITH THE PEDIGREE AND IS LEGIBLE TO THE INSPECTOR, THE ANIMAL WILL BE REFUSED ENTRY.

## PLEASE NOTE CHANGES IN HEALTH REQUIREMENTS

Entries should be tuberculin tested and brucellosis tested with negative results by the owners accredited veterinarian. Form 12A should accompany the animals and be presented to the attending Health of Animals Veterinarian on the sale premises.

If these tests have not been done the bulls will be submitted to test on the grounds by the Health of Animals Branch Veterinarian.

All bulls must be on the sale premises by 6 p.m. Friday the 26th of February 1971 and be free of ringworm, warts and other diseases.

10. Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in these rules.

## DISPUTES

11. If any dispute arises between two or more bidders it shall be settled by the animal or animals being again put up and resold. The decision of the auctioneer shall be final in all such cases.

## OWNERSHIP AND SETTLEMENT

12. Should any purchaser fail to settle for his purchase, the Association reserves the full power to re-sell the animal to the best advantage, either publicly or privately, without further intimation, and any loss arising from such re-sale, together with keep and all other expenses, will be collected from the defaulter. In the event of a seller desiring to purchase other stock, he may obtain credit up to within \$50 per head of the amount of his sales by applying at the office of the Secretary.

13. Immediately after each purchase is declared, the risk of the animal shall be exclusively with the purchaser, and it is declared that until a settlement shall be made in the terms of these conditions, the delivery of the animal shall be suspended.

14. The Secretary will have power to give receipt in full for all payments for stock, and will remit the amount realized less the proper charges, to the seller thereof within three weeks after the date of the sale, provided certificate and transfer are in order.

## FEED AND LOADING CHARGES

15. A fee will be charged the purchaser for feeding (hay only) and caring for the animals from conclusion of sale until loaded, where animals are held by instructions of purchaser.

## BREEDING GUARANTEE

16. Should any bull fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the consignor within six months following date of purchase. If a satisfactory agreement cannot be reached between buyer and seller, the Association's decision will be final.

The Association acts as agent only and under no circumstances will the Association accept financial responsibility between buyer and seller.

The Consignor is not responsible for damage caused by foreign bodies after the animal is sold, or for sickness not apparent at sale time.

All transportation charges on animals returned to the consignor are for account of the purchaser. No incidental expenses such as feed, care, veterinary charges, etc., will be charged by either party when making settlement.

17. Persons interested in the cattle industry in Alberta, although not breeders or cattle owners, may join the Association as associate members, upon payment of two dollars per year. Such associate members may attend the meetings of the Association, and take part in the discussions, but will not be eligible for office, and may not vote.

## FEED, WATER, ETC.

18. All contributors will be required to supply all necessary feed and care for their bulls up to and including the last day of the current year's sale.

Any contributor failing to comply with these regulations may be excluded from participating in future sales held by this Association.

The responsibility for feed and care of bulls will rest with the purchasers after the above date.

Baled hay and straw may be procured from the feed commissary in the pavilion. Stabling and water supplied free. Sellers or their agents will be required to take charge of their animals immediately upon arrival at point of sale, have the animals placed in the stables, remain in attendance upon them, and feed and water them as required by the above regulations.

## SHIPPING

20. The Association, acting as the agent of the purchaser, will ship all animals by rail as instructed, if possible, but the seller must water and feed his entries as required by Rule 18.

## ASSOCIATION LOADS AS AGENT ONLY

21. Every care will be exercised by the management to prevent injury to or loss of property, and to insure the prompt delivery of animals, but the Association, acting only as a medium between buyer and seller, will not be responsible for any loss or damage that may occur, nor for any stock mis-sent, whether through negligence on the part of its officers or servants or not. Insurance against loss should be taken out by owner, if he considers same necessary.

## INSPECTION OF ANIMALS FOR SALE

22. Upon arrival at the sale premises (Exhibition Grounds, Calgary, Alberta) of bulls entered for sale, the Alberta Cattle Breeders' Association shall cause the bulls of each separate breed to be inspected by a breed representative or representatives as may be designated by the Alberta Hereford Association, the Alberta Shorthorn Association and the Alberta Aberdeen-Angus Association, respectively, along with a qualified veterinarian appointed by the Alberta Cattle Breeders' Association and on the recommendations of any such inspector or inspectors, shall remove any such bulls (as any such inspector shall consider as inferior in quality or as not being representative of the breed, or as not being of breeding soundness insofar as it may be determined by physical examination) immediately from the sale premises to a packing plant where such bulls shall be sold (for immediate slaughter or rail grade) by the Association, as the agent of the entrant, but at the expense and risk of the entrant. The registration papers of such bulls shall be forthwith cancelled.

The net proceeds received by the Association with respect to any such bulls so removed and sold shall be placed to the credit of the entrant and thereafter paid him on demand.

The entry fee paid by the entrant to the Association in respect of any such animal removed or rejected as aforesaid shall belong to and remain the sole property of the Association.

The entrant hereby appoints and constitutes the Association his agent for the purposes aforesaid with full power and authority to sub-delegate its authority and powers.

23. Bulls that have entered and are not in good condition by the date when they should be shipped for the sale should not be sent in, as culling will be very severe.

## CATALOGUE AND ORDER OF SALE

24. Entries will be catalogued and sold in four alphabetical groups: A to E, F to L, M to R, and S to Z. These groups rotate annually, by moving the group selling first one year to last the next.

Further the letters in each of the four groups will also rotate annually, with the letter appearing last one year, becoming first the next. The following will be conducted as one letter: "IJK"; "PQ"; "UV"; "XYZ".

In 1971, the entries will be catalogued and sold in the following order: (UV, W, XYZ, S, T); (C, D, E, A, B); (H, LJK, L, F, G); (O, PQ, R, M, N).'

The breed order will be Aberdeen-Angus, Galloway, Shorthorn, Polled Hereford, Horned Hereford.

No more than six bulls of any one breed bearing the same tattoo will be accepted from one breeding establishment, and the Association shall have the right to refuse entries, or reduce the number of entries submitted by any contributor.

A contributor who has entered six bulls will sell them all the first round.

The contributor of the Grand Champions and the Reserve Grand Champions will sell as announced in the catalogue.

Each contributor of champions will be allowed to sell the remainder of their string if they so desire.

He will also be allowed to sell first, whichever bull he wishes, providing the Champion sells in the first string.

## SPECIAL NOTICE REGARDING HORNLESS BULLS

27. All polled or dehorned bulls must be tied with a suitable halter and substantial neck rope. The neck ropes must remain on the bulls at all times while in the barn and must be left on the bulls after the sale.

## OUTGOING CHARGES TO PURCHASERS

31. Freight rates for outgoing shipments will be available in office, and shipping arrangements can be made there.

32. Purchasers must make all necessary arrangements themselves and with the Secretary for necessary attendants. Feed must be supplied by the purchasers while the animals are in transit.

### STABLING OF BULLS

33. All Bulls will be stabled in the Live Stock Pavilion, and must be on sale premises not later than 6:00 p.m., Friday, February 26, except in cases of extreme emergency. Platforms under bulls will not be allowed.

### RELEASE OF BULLS

34. No Bulls may be removed from the sale premise without a release slip.

### ASSOCIATION IS AGENT ONLY

35. It is to be clearly understood that the Association is only acting as a medium between buyer and seller and is not in any way responsible for any failure on the part of either party to live up to his obligations to collect or enforce collection of any monies between parties, and any legal action that may, in exceptional cases, be taken, must be between the buyer and seller themselves.

36. In all cases, however, the influence of the Association will be exerted, as far as possible, to hold all parties strictly to these regulations.

37. The Executive Committee reserves the right to decide any point not covered by the rules which said Committee considers is necessary in the proper regulations and management of the sale.

39. Every person who contributes an animal to the sale, and everyone who bids at the sale by so doing agrees to the foregoing terms and conditions of sale.

### ADVANCES TO CONTRIBUTORS

Advances will be made to contributors up to and including Wednesday, March 3rd. This will enable the Accounting Department to close the accounts and make settlements in the shortest possible time.

### NO PLATFORM UNDER BULLS

Platforms under bulls will not be permitted in the Livestock Pavilion.

### TB STATUS

All herds are under the restricted area plan unless otherwise stated in catalogue or announced by the auctioneer.

From the great cattle country of Alberta  
comes the King of the cattle country . . .

## THE HEREFORD BULL

Let one reign  
over your herd

He Will:

- . . . sire more calves that sell at higher prices per pound.
- . . . produce fast gaining calves with good weight at weaning time.
- . . . leave feeders that make money in the feedlot and are ready for market at a desirable weight.

And remember — they come in two kinds — Polled or Horned!

The choice is yours in Alberta
